Young Person's Sexual Health Services in Greater Manchester

The ten councils that make up Greater Manchester want to understand the contraception needs of young people accessing sexual health services in Greater Manchester. Some people may have struggled to access contraception services during COVID-19 and so filling in this survey will help us to decide how best to improve the service to meet your needs.

Your responses will remain anonymous.

Go to Trafford.citizenspace.com to find the survey. Trafford Council are hosting the survey online, but it is for young people across the whole of Greater Manchester.

Stonewall want to gather the views of young people who identify as LGBTQ+.

HOLOCAUST
MEMORIAL
DAY TRUST

Young people's photography competition.

The theme is 'Light Up the Darkness'.

Visit the Holocaust Memorial Trust website for more details.

Competition closes on 10th January.

If you are looking for a Christmas present for someone who already has too much stuff, visit the City of Trees website and dedicate a tree for them.
