Dear Parent /Guardian

Human Paillomavirus (HPV) IMMUNISATION

Your year 9 child may have missed having their 2nd HPV vaccination in school due to Covid19 and school closures when their vaccination was due.

If your child attended St Peters Parish Church Hall between June-September 2020 they will have had their 2nd HPV vaccination.

For those children who are currently in year 9 who are outstanding their 2nd HPV vaccination we have arranged dates to go into school to administer them.

These are different vaccinations than the ones they will be receiving in year 9 of TDIPV and MEN ACWY.

The dates of the 2nd HPV vaccinations are as follows

St Annes	17.5.21	18.5.21
Hazel Grove High	15.6.21	16.6.21
Reddish Vale	24.5.21	25.5.21

On the day of immunisation it is advisable for all children to have breakfast, and if possible wear a short sleeved shirt.

If your child has asthma, they need to bring their inhaler to school.

If you have any questions about the immunisation in school, please do not hesitate to contact us on the details above.

Thank you
