Time and date		Event	Brief	Registration Link
Mon 8 th Feb	09.00 - 09.15	MYF: Apprenticeships in Science	What role do apprenticeships play at AstraZeneca? Hear from current apprentices and what life is like working for A world-leading Biopharmaceutical company.	http://bit.ly/NAWGM-science
	15.00 – 16.00	Demystifying Apprenticeships & How They Help Young People Get Ahead	This session for school/college careers leaders, teaching staff and parents/carers aims at sending out a positive message about apprenticeships and breaking down the stereotype that apprenticeships are only for those interested in a career in a traditional trade.	http://bit.ly/NAWGM-Teacher-Parents
Tue 9 th Feb	09.00 - 09.15	MYF: Apprenticeships at the RAF	Meet Your Future host a session to find out about the wide range of career and apprenticeship opportunities from the RAF, including those in Science, Technology, Engineering and more! The experiences you gain with the RAF aim at equipping you to work at the top of your field, both in the UK and overseas.	http://bit.ly/NAWGM-RAF
	11.10 onwards	The Big Assembly	We're turning on the lights, pointing our cameras, and talking about apprenticeships, traineeships, and other exciting career opportunities with our panel! Hear from a range of apprentices in this fun and lively assembly.	https://www.bigassembly.org/
	17.00 – 19.00	Degree Apprenticeships Virtual Open Evening	Gain an overview of Degree Apprenticeships at MMU and how to apply as well as meet some of our current degree apprentices who will be sharing their insight and experience. There will also be representation from some of our partner employers, including Bentley, AstraZeneca, Syngenta, Nestle and Stateside Foods, who will talk to you about the application process, current vacancies and give examples of some of the exciting projects their apprentices work on.	http://bit.ly/NAWGM-degree
Wed 10 th Feb	09.00 - 09.15	MYF: Apprenticeships in Engineering	Join Ceri Travers, the Learning and Development Manager at William Hare to find out more about their business, what they do and the engineering apprenticeships that they have to offer.	http://bit.ly/NAWGM-Engineering
	13.00 – 14.00	Build The Future of GM Panel	How are apprenticeships building the future of our city-region? We'll hear from employers and apprentices from our growth sectors about how they're contributing to the future of Greater Manchester. Hear from experts in professional and financial services; advanced manufacturing; digital, creative and media; clean growth and low carbon; and health and social care.	http://bit.ly/NAWGM-Growth-Panel
	15.30 – 16.30	Live Virtual Q&A Session with Salford City College	Hosted by Allan Milne, Head of Apprenticeships, Louise Jones, Employer Services Leader and Mandy Shepherd, Recruitment Team Leader. This is a drop in session, join when convenient for you and our panel will be available to chat through all things apprenticeships.	http://bit.ly/SalfordCityCollege
	16.00 – 19.00	Hopwood Hall Virtual Apprenticeship Open Event	This immersive online event promises to be an exciting look into the world of apprenticeships and the people who can most benefit from them. It promises to be must-attend for those who want to take up an apprenticeship to kick-start their career, but also any employers looking to experience the value of recruiting an apprenticeship for their business.	http://bit.ly/HopwoodHall

Thu 11 th Feb	09.00 - 09.15	MYF: Apprenticeships in Creative Media	The Juice Academy's digital marketing apprenticeship is a debt-free, fast-track way to get onto one of the most competitive, rewarding and exciting career ladders. Find out what The Juice Academy can offer you and how to apply.	http://bit.ly/NAWG-M-Creative-Media
	10.00 - 11.30	Apprenticeship Careers at AJ Bell	Hear from apprentices at AJ Bell about their experiences and current opportunities. Find out about the route to progression that an apprenticeship can offer from 'graduated' apprentices, with the opportunity for Q&As. The session will also feature top tips for applying and standing out from the crowd during the application process, including video and other content to share – this is due to be an action packed and informative session!	TBC
	16.00 – 19.00	Alliance Learning: Virtual Apprenticeship Open Evening	Are you a young person thinking about life after school or college? Want to find out if an Apprenticeship is the best route for you? Come along to our first-ever Virtual Apprenticeship Open Evening and find out everything you need to know about Apprenticeships from the comfort of your own home! You can choose from 3 time slots; 4pm, 5pm and 6pm.	http://bit.ly/Alliance-Learning
Fri 12 th Feb	09.00 - 09.15	MYF: Apprenticeships in Technology	Meet Your Future host a session joined by Vizion Network to learn about the new technologies and career opportunities in the automotive industry.	http://bit.ly/NAWG-M-Technology
	10.00 - 11.00	Apprenticeships and the Workplace with Brother UK	Matt Leigh from the Greater Manchester Learning Provider Network (GMLPN) will be interviewing Gemmer Crozier and Lewis Johnstone from Brother UK. Gemmer will provide an insight into Brother's recruitment process, inducting new apprentices and supporting their progression. Lewis will be sharing his experience of those processes and how his apprenticeship has benefited his career to date.	http://bit.ly/GMLPN-BrotherUK
	11:00 - 12:00	Apprenticeships in the GM Public Sector	Apprentices are an important part of our Public Sector Workforce. With over 10,000 apprenticeships starting since 2017, our Local Authorities, NHS Trusts, Police, Fire and Transport services have apprentices of all ages, background and at levels ranging from 2 to 7. This session will celebrate some of those who deserve special recognition and also provide information about starting an apprenticeship within the GM Public Sector.	http://bit.ly/NAWG-M-PublicSector
	12.00 – 14.00	Lunch and Learn with ATAC	Advanced Therapies Apprenticeship Community (ATAC) is hosting a lunch and learn for existing and potential employers of ATAC apprentices. As well as hearing from current apprentices and employers, we will also be celebrating the success of the ATAC programme with an awards ceremony! We will be sending attendees a small drink and snack package in the post to enjoy during the working lunch!	http://bit.ly/2KGpcv
