# Meet your Future: National Careers Week 1<sup>st</sup> – 5<sup>th</sup> March 2021

Time and date		Event	Brief
Mon 1 <sup>st</sup> March	09.00 - 09.15	Good Morning Greater Manchester with Andy Burnham	<b>Andy Burnham, Mayor of Greater Manchester</b> Join Andy as he speaks about his own Career journey as well as the wealth of opportunities available for Greater Manchester Young People
	11:00 - 11:45	Start your software engineering journey with a Degree Apprenticeship	Start your software engineering journey with a Degree Apprenticeship
	12:00-12:45	Manufacturing in the Defence Industry with MBDA	This session will give an insight into the different products (missile systems) that MBDA make, how we manufacture our missiles and how the company works.
	13:00-13:45	Learn about Urban Architecture with Planit-ie	Want to know more about design, architecture and urban planning? In this session Caleb Jones and Andy Roberts from Plan-it.ie will show you how careers in design can be much more than you think.
Tue 2 <sup>nd</sup> March	09.00 - 09.15	Good Morning Greater Manchester with Carl Austin-Behan	Carl Austin-Behan is well known for being one of Manchester's leading LGBT activists, as well as being the city's first openly gay Lord Mayor. Hear Carl's story about resilience and overcoming adversity in order to get to where he is today.
	10:00-10:45	Maths and Our Future Buildings	Join William Hare to find out how the apprentices use maths in their every day jobs from design to welding to commercial.
	11:00-11:45	The Power of People	Sarah and Anna both started off their careers in Retail/Hospitality and ended up working in HR (Human Resources), more through accident than design but thankfully both found a career that they loved. Today's session will give you an introduction to careers in HR and Retail and how to get started.
	13:00-13:45	Careers Using Science with Suez	Employing nearly 90,000 people- working for the sustainable and intelligent management of resources worldwide.
