Participation Session for Young People in Stockport

Date: **Monday 26th April 2021** Time: **4pm – 5pm**

What is the participation session about?

The session is for young people to share their views and opinions about their Education, Health and Care Plan (EHCP), the process of getting an EHCP and their experience of annual reviews

Who will be running the session?

The session will be on online, through MS Teams.

It will be run by Sarah McSherry (Kids) and John Gelder (Stockport Council)

What do I need to do before the session starts?

Email Sarah McSherry (sarah.mcsherry@kids.org.uk) and she will send you a registration form and a link to join the MS Teams meeting. Make sure you have completed the form with your details so that we know who you are and what support you might like during the session.

You will be sent a draft EHCP and annual review template. We will be asking you to share your thoughts on the design and content

What things will I be asked?

- We want to know about how adults support you with your EHCP and annual reviews
- We want to know what is helpful?
- We want to know what is not helpful?

This will help us to know what is important to you and for other young people

What will happen with the opinions I give?

All of the views and feedback you share, positive or negative, will help John's team to work on redesigning the EHCP process in Stockport

We are thinking about how to make things better for children and young people and your views will help

We will write to you to share how your opinions helped us with our work

As a thank you

We really value your views and the views of young people. To say thank you for taking part will be sending you an Amazon gift voucher and a certificate
