DIG DEEP, LOOK CLOSER, THINK BIGGER

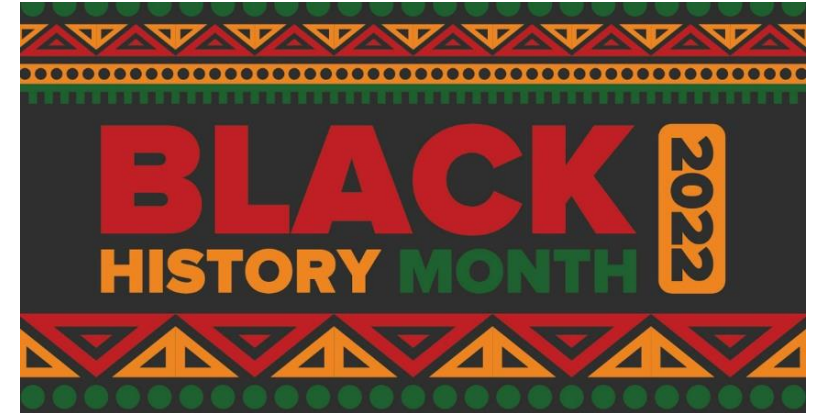

- The theme for Black History Month 2022 is **Time for Change: Actions Not Words.**
- Black History Month this year focuses on how we can fight against racism.
- This is about coming together around a shared common goal to achieve a better world for everyone.
- The campaign is asking for real support from allies to ensure real change.

Key word:

Allies: To side with and support someone

DIG DEEP, LOOK CLOSER, THINK BIGGER

## Why do we celebrate Black History Month?

- Black History Month enables both adults and children to gain a broader understanding of Black histories, going beyond racism and slavery to also spotlight Black achievement.
- It helps us all to see that Black history is also British history.
