

Work Experience 04/03/2024

Reddish Vale High School

During the week commencing **4th March 2024** your child will be required to participate in a '**Work Experience Placement**' operated by the school in association with **The Changing Education Group**.

A work experience placement aims to give young people a taste of 'The World of Work', so that they may begin to appreciate the demands which will be made upon them when they enter employment after they have completed their education.

Through self-placement or placed by changing education your child's work experience will be an enriched experience that they will remember in many years to come.

Pupils have now received their QR codes and instructions so that they can commence their journey in securing their placement.

Please assist your child in contacting the placement and planning for the event. The following things may help you plan.

- Transport arrangements
- Lunch arrangements
- Contact details
- Times of the day
- What to wear.
- Tasks throughout the experience

If the placement is at RVHS, uniform and normal times are as normal. In the unlikely event the placement should fail, students are to attend RVHS as normal to complete a virtual work experience program.

Work experience week is built into the calendar for Year 10 – your child's learning will not be adversely affected by this activity. This is a fabulous opportunity for all of our students and we hope that you will encourage them to make the most of this experience.

If you have any queries or require more information about the scheme, please do not hesitate to contact the school directly.

Yours faithfully,

Mrs Holme

Assistant Headteacher
