

Dear Parents and Carers,

I would like to extend a very warm welcome back to all our pupils and families as we begin another exciting academic year. I hope that you have all enjoyed a restful and enjoyable summer break and are returning refreshed and ready for the opportunities and challenges ahead.

A particularly special welcome goes to our new Year 7 pupils, who have joined our school community this September. We are delighted to have you with us and look forward to seeing you grow in confidence, develop new friendships and make the most of everything school life has to offer.

To our returning pupils, welcome back. Each year group has exciting milestones ahead. Our Year 8 pupils can look forward to their forthcoming PGL residential trip, which promises to be a fantastic opportunity for adventure, teamwork and personal development. Year 9 pupils will begin considering their GCSE option choices, an important step as they start to shape their future pathways and areas of interest.

For our Year 10 pupils, this year marks the beginning of a crucial stage in their GCSE journey, with mock examinations providing valuable opportunities to prepare for the challenges ahead. Our Year 11 pupils are embarking on their final year with us before sitting their GCSE examinations. This is an important and exciting year, and I encourage them to embrace every opportunity, work hard and seek support whenever needed. We have every confidence in their ability to achieve success.

As always, our dedicated staff are committed to providing the highest quality education and support for every pupil. Together, we will continue to foster a culture of ambition, kindness and excellence, ensuring that all young people can thrive both academically and personally. I am also pleased to share that we are currently awaiting our Ofsted report, which is due imminently. We are incredibly proud of our school and look forward to sharing the report with our community as soon as it is published.

Thank you for your continued support. I wish all our pupils a successful, happy and rewarding year ahead.

Kind regards,
Mr. D Moroney
Headteacher

Attendance

Here at Reddish Vale High School, we want you to do your best and believe rewarding our pupils for good attendance and making good choices is important.

This term, we have lots of exciting rewards that pupils can achieve, including entry into the weekly live prize draw every Friday in the canteen, an invite to the pop-up hot chocolate station, Freddo Friday, entry into the family takeaway prize draw, an invite to the Halloween disco and an invite to the end of term cinema/Christmas markets trip, just to name a few!

If your child is finding attendance challenging, please reach out to us, we are here to work together and support.

Zero Tolerance to Bullying

Here at Reddish Vale High School, we believe everyone has the right to feel safe, respected and able to learn. The poster below has come useful information on how pupils can report bullying through the Sharp system, which is on the school website.
