

Changes to the school mobile phone policy

After consultation with the pupil forum, parents/carers and staff

8.35am - 2.50pm switched off and in your bag or pocket.

You can use your phone if your teacher lets you, for example as a calculator, stopwatch or e-reader.

- If you are seen with your phone out at any other time, it will be taken from you.
- You will be given a receipt and can collect your phone from Pupil Services at 3.20pm, the SAME DAY.
- Failure to follow this instruction will result in a one day exclusion, which will go on your record.
- Your parent/carer will have to meet with Mr Short - Headteacher and a Governor before you can return.

This policy meets your needs and ours, as well as keeping you safe.
