Learning Trust**

**TRUST WIDE POLICY**

**CHARGING POLICY**

**Date of Board Approval: 20 February 2019**

## **Purpose and Background**

South Manchester Learning Trust wishes to make a broad programme of activities accessible to as many students as possible. This policy is intended to maintain a fair and coherent system of charges and remissions within the constraints of each school's budget. It also defines other circumstances when our schools may wish to ask for a voluntary contribution, how these charges will be worked out and who might qualify for help with costs.

The policy is written to comply with sections 449-462 of the Education Act 1996. Academies are required through their funding agreements to comply with the law on charging for school activities. This policy also references the 'Charging for School Activities' guidance produced by the Department for Education.

## **School Trips**

### **Day Trips.**

No charge will be levied in respect of day trips that take place during school hours or are an essential part of the curriculum. (please also refer to the section on voluntary contributions).

### **Residential trips – Essential**

For residential trips which are essential to the National Curriculum, statutory RE or in preparation for prescribed examinations, a charge will be levied for board and lodging.

### **Residential trips – Non-essential**

For residential trips which are not essential to the National Curriculum, statutory RE or in preparation for prescribed examinations a charge will be levied up to the full cost of the trip including contingency and school administrative costs.

## **Examination Entries**

A charge will be levied in respect of examination entries for students where the school has not prepared the pupil for the examination.

A charge will be levied in respect of examination entries for students where the school has prepared the student for the examination and it considers that for educational reasons the student should not be entered and the student's parent/carer wishes the pupil to be entered (or the student him/herself when over 18 years old). In these circumstances, if the pupil subsequently passes the examination, the school may refund the cost.

A charge may be levied for pupils re-sitting an examination.

A charge will be levied where a pupil fails without good reason to complete the requirements of any public examination where the school paid or agreed to pay the entry fee.

The charge levied in the situations above will be the cost of the examination entry, plus any applicable administration charge.

A charge will be levied for any examination re-marks that are requested by parents, but are not supported by the school.

***N.B. School reserves the right to withhold exam certification until payments are made.***

## **Materials & Textbooks**

Where a student or parent wishes to retain items produced as a result of art, craft and design, or design and technology, a charge may be levied for the cost of the materials used. In the case of Food & Nutrition students are asked to provide their own ingredients.

## **Music Tuition**

All students study Music as part of the curriculum and no charge is made for this. The school levies charges in respect of individual and small group instrumental music tuition. The cost of this tuition is subsidised by the school, with a fee levied dependent on whether the tuition is 1:1 or small group. Parents/Carers are asked to sign an agreement acknowledging the required payments before tuition commences.

## **Activities Outside School Hours**
